Enroll for QI MOC and for AMA PI CME Credit for Participating in QI Project

**Title of Project**

If you would like to document your participation in this QI project so that when the project is completed in [month, year] you receive Maintenance of Certification (MOC: ABMS Part IV for physicians, AAPA PI CME for physician assistants) and AMA PRA Category 1 Credit in Performance Improvement CME:

- Review the information below concerning the relevant certifying organization, the project problem and goal, the project lead with whom to communicate, and participation requirements.
- Then fill in your name and other identifying information at the bottom of this form.

To receive AMA CME credit, you must enroll before the reviewing the baseline data, [date]. To receive MOC for QI, you can enroll at any time.

If you have questions about:

- the QI project, contact the project lead, [lead name, email, phone]
- MOC through the UMHS QI MOC Program, contact Ellen Patrick, ellpat@umich.edu, 936-9771.
- AMA PI CME credit, contact Julie ReBeau, juliwils@umich.edu, 647-8784.

**Problem.** Problem statement entered from report

**Goal:** Goal statement from worksheet

**Project Lead.** [list name, title]

**Disclosure.**

There are no relevant financial relationships with commercial interests for anyone who controls content for this CME activity.

**Or:**

The project lead(s) has/have no financial relationships with companies whose products or services for patients are addressed in their planning/presentations.

The project leads have financial relationships with companies whose products or services for patients are addressed in their planning/presentations: [list nature of relationship and company; if more than one person, list by name].

**Participation Requirements.** Participate in each of this sequence of activities.

1. **Reviewing baseline data and planning intervention:** Participants will receive and review the results from the baseline measure(s) of performance. They will contribute to determining underlying causes and to developing plans for interventions.
2. **Implementing intervention:** Participants will facilitate and participate in the intervention(s).
3. **Reviewing post-intervention data and planning changes:** Participants will receive and review the results of post-intervention data. They will contribute to determining underlying causes and to developing plans for interventions.
4. **Implementing further intervention/adjustments:** Participants will facilitate and participate in the further intervention(s)/adjustment(s).
5. **Reviewing post-adjustment data and planning further changes:** Participants will receive and review the results of post-adjustment data. They will contribute to determining underlying causes and to developing plans for interventions.

**MOC.** The certifying organizations recognizing participation in the project through the UMHS QI MOC Program include:

- [Organization, type/amount of credit]
CME. The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this PI CME activity for a maximum of 30 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Medical Association recognizes continuing medical education occurring through participation in “performance improvement” activities (PI CME). Physicians may receive 30 AMA PRA Category 1 Credits™ if they participate in a quality improvement (QI) activity that involves two linked cycles of data-guided improvement. The 30 credits are the total of 5 credits for each of the five steps listed above under “Participation Requirements” plus 5 points for summarizing changes on the individual’s attestation of participation form at the end of the activity.

The ABMS Part IV MOC Portfolio requires participation in a QI activity of at least two linked improvement cycles. Therefore, QI activities meeting requirements for Part IV MOC are also structured to meet requirements for AMA PRA Category 1 PI CME.

To enroll. To have your participation documented for MOC, fill in and submit the following information.

First Name

Last Name

Email Address

Profession: [ ] Physician [ ] Physician Assistant

For Physicians:

a. Stage of training: [ ] Practicing [ ] Fellow [ ] Resident

b. Primary specialty [e.g., Pediatrics]: ________________________________
